

ART BINGO EXHIBITION: 21 AUG EVENT: 23 AUG 3PM – 3 AM

The Atelier-Leimbi presents its third festival ART BINGO. The exhibition and event use the structure of bingo to access the collaborations, assistance, and relations of the artworld.

The public is invited to Leimbach for a traditional game of bingo. However, rather than winning prizes, the winners will have the opportunity to pick an artwork. Over 35 artworks from a list of international artists will be available to winners. In exhibiting and using work donated, the one-day festival effaces art-market value to offer an ephemeral but democratic structure. All work is equally valued, yet it may only be purchased with sheer probability.
